

PermaNet® 10/48/6

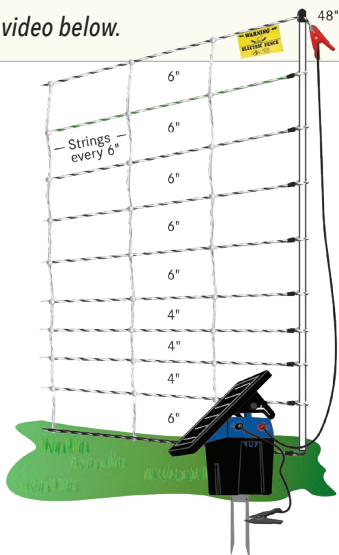

To view on our website – Click on the links & video below.

To purchase PermaNet

1. Measure the fence line.
2. Choose the length and the amount of netting needed.
Example: For a 170 ft fence line, order a 150 ft net and a 25 ft net.
3. Choose support posts—As needed for ends, curves and corners.
4. Select an energizer, ground rod and a fence tester.
