

ElectroFence® 11/48/12

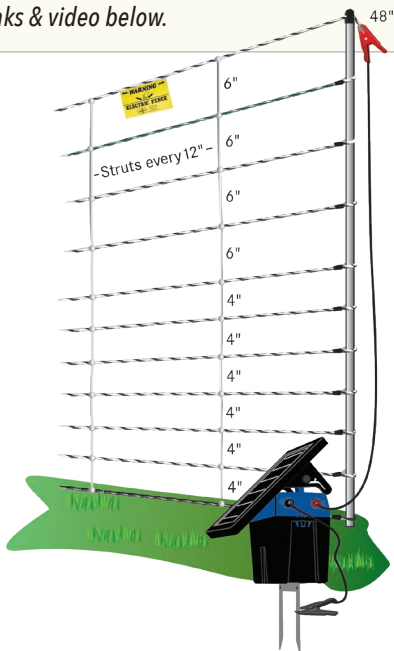

To view on our website – Click on the links & video below.

To purchase ElectroFence

1. Measure the fence line.
2. Choose the length and the amount of netting needed.
Example: For a 150 ft fence line, order a 100 ft net and one 50 ft net.
3. Choose support posts—
As needed for ends, curves and corners.
4. Select an energizer, ground rod and a fence tester.

Electric Netting Installation Video
