Call your State Aphis Office—(866) USDA-TAG

Free Regulatory 2Xte (white) Tags

2Xte

Not Actual Size

Free SFCP 2Xte (white) Tags

2Xte

Not Actual Size

Available to any flock or herd not in the USDA's SFCP (Voluntary) program.

- White 2Xte tags and applicator are free to producer. Other colors, size and types are available via Mandatory Approved program but the producer must pay for the tags.
- Tags are normally delivered to your door from Premier within 14 days.
- Imprinting as shown (flock no. plus animal no.). Producer can choose animal no. in most states if not used previously.

Available to any flocks in the USDA's SFCP (Voluntary) program.

- White 2Xte tags and applicator are free to producer. Other colors, sizes and types of tags are available via Approved SFCP program but producer must pay for the tags.
- Tags are normally delivered to your door from Premier within 14 days.
- Tag setup: Both sides have premise number and individual animal number as shown above.

*Order free tags (white only) via your State APHIS office (1-866-USDA-TAG).
They will then pass the order on to Premier.*
