

# Barbed-wire fence

## To install

**Tools:** Use heavy leather gloves. Hand or power driver for posts; chain wire stretcher; wire cutters; hammer(s).

**Time:** 1,000 ft in 4 hours in easy conditions if power post driver is used for wood posts.

**Skill:** Moderate. It's hard work; the barbs force respect and caution.

A. Barbed Wire

B. HT Wire Staples

C. Gripple

D. Speed Brace

## Fence diagram
