

PermaNet® Plus 12/48/3

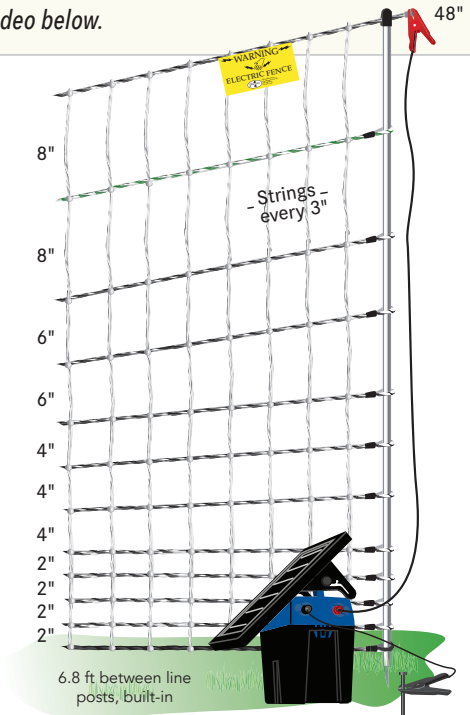

To view on our website – Click on the links & video below.

To purchase PermaNet Plus

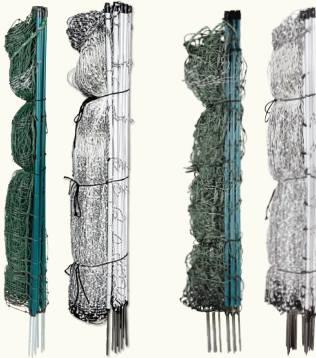

1. Measure the fence line.
2. Choose the length and the amount of netting needed.
Example: A 170 ft fence requires one 100 ft net, one 50 ft net and one 25 ft net. However it costs less to order two 100 ft nets instead.
3. Choose either:
 - a. Netting Only**—energizers and accessories sold separately.
 - b. Starter Kit**—everything you need in one complete package.

Electric Netting Installation Video
