# SHEEP

Sheep offers both neophyte and seasoned sheep keepers a wealth of information for healthy, thriving flocks. Readers get advice straight from the farm—together with detailed charts, a comprehensive glossary, tips from hobby shepherds, and fun sheep trivia. Whether they are being kept as pets or a business venture, sheep are winning additions to any small-scale farm!

Sheep has it covered!

- Choose the right breed for your needs
- Construct housing and predator-proof fencing
- Keep flocks healthy with a nutritious diet
- Spot symptoms of common sheep diseases
- Shear fleeces, trim hooves, and vaccinate sheep
- Breed, deliver, and care for newborn lambs
- Explore sheep resources and Web sites

Plus many other helpful tips!

"Mary may have had a little lamb, but she really needs Sue Weaver's helpful advice and resources in her book *Sheep* to fully understand and manage the flock. A master shepherd, Weaver blends information, descriptions, and resources in an easy-to-follow, conversational style that instills confidence for sheep keeping, even if you're just starting out."
—**Lisa Kivirist, co-author of *Rural Renaissance: Renewing the Quest for the Good Life***

"If you have the heart of a shepherd you will appreciate Sue Weaver's new book, *Sheep*. The information you find within these easy-to-read pages is targeted to help you fulfill your dream of successfully raising these wooly wonders on your own hobby farm."
—**Deirdre D. Tarr, Founder of the Rare Breed Livestock, Miniature, & Pet Expo running consecutively for eleven years in Tennessee**

About the Hobby Farms™ series

Whether you're a weekend gardener or dedicated small farmer, you'll gather a bushel of essential information from the *Hobby Farms* series. *Hobby Farm* and its companion editions will help both experienced and novice hobby farmers realize their own dreams of life on the farm—for pleasure or profit.

Look for other essential *Hobby Farms* series titles, such as *Hobby Farm*™, *Chickens*, and many more to come!
