## To purchase Pig QuikFence

1. Measure the fence line.
2. Choose the length and the amount of netting needed.  
Example: A 150 ft fence requires one 100 ft net and one 50 ft net.
3. Choose support posts for corners, curves and ends—  
We recommend FiberTuff Posts.
4. Select an energizer, ground rod and a fence tester.

## Netting
