Blade Exchange

Exchange a used, dull, or rusted Lister® blade set for a new Premier blade set and your cost is only \$31 (plus shipping). You save \$17!

Lister® blade

Premier blade

Save
\$17!

How do you save \$17 a set?

You save \$10 off a new blade set from Premier (retails for \$41) plus the \$7 resharpener fee on the used blades.

Must it be an exact upgrade?

Fine blades for fine blades? No. Any Lister® blade may be exchanged for any Premier Surgical, Fine, Medium or Coarse blade in any combination (i.e. a Premier Fine for a Lister Medium). **Note: Super Surgical and XtraCover blade sets can be included in offer. Super Surgicals will be \$41 and XtraCovers will be \$33.**

Why only Lister blades?

Because they interchange with our blades.

What do you get?

You can exchange a dull, rusty Lister blade set (as shown above left) for a new Premier blade set (as shown above right).

Premier Tip:

Clipping blade sets are meant to be kept together throughout the clipping and resharpener process. For maximum animal presentation and blade life, do not mix and match the top and bottom blades of a set. Combs and cutters of a shearing machine may be interchanged as necessary.

Personalize your blades by laser imprinting!

Have your own name, farm name, address and telephone number laser imprinted on your clipping blades for only \$1 extra per blade (bottom blade only). Initials only on combs and cutters.

Imprint: _____

Resharpener service—how fast is it?

Less than 2 working days to imprint and sharpen them (3 days in the spring). We ship via ground service. They need 1 to 8 days to reach you—unless you pay for expedited delivery.
